

MESABI RANGE

Youth for Christ

End of Year Giving

It's that time of year, the end of 2025. Would you prayerfully consider joining The Story with Mesabi Range Youth for Christ and helping to financially support authentic Christ-sharing relationships? With two new Campus Life locations our financial need has also grown! Will you help us bring "S'more of Jesus" to students?

Campus Life

In 2025 our Campus Life sites expanded! We are so excited to have Nashwauk and Cherry join our Campus Life family! We are now in Hibbing (Mondays), Virginia (Tuesdays), Nashwauk (Thursdays), and Cherry (Monthly Saturday).

Music Ministry

We love sharing our students' gifts through our Music Ministry Team! Our joyful and talented singers and musicians—including our Ukulele Band—regularly lead worship in local churches and at events like Iron Range Renewal and the St. Louis Co Fair.

We worship because Scripture calls us to:

“Let the message about Christ, in all its richness, fill your lives. Teach and counsel each other with all the wisdom he gives. Sing psalms and hymns and spiritual songs to God with thankful hearts.”— Colossians 3:16

We would be honored to serve your church family and gladly collaborate with leaders to meet the needs of any service.

YOUTH FOR CHRIST®

GIVE LIFE TO YOUR STORY

Join us as our youth partner with Iron Range Renewal to celebrate the message of Christmas through beautiful music and a live nativity!

A Note from Jake Grass,
Executive Director

Wow God! We are humbled and amazed at how God has gone before and opened doors to expand into the Cherry and Nashwauk communities! We are celebrating the opportunities we have to become woven into the fabric of these new and renewed places for Youth for Christ. Celebrating that after decades gone by Campus Life has come back to the Nashwauk school. As we obediently said "yes" to growing into four locations this fall we have been eating through the money provided through selling peaches more quickly than budgeted. Would you join in partnering with MRYFC to fulfill this mission and help cover the monthly shortfall of \$3K with either a reoccurring gift or year end blessing?

A Note from Noah Laulunen,
Campus Life Coordinator

We at Mesabi Range Youth for Christ have seen the Holy Spirit go before us and work in the lives of many. God has provided opportunity for shared meals, group activities, one-on-one coaching, small groups, and so much more with the students of the Iron Range! We want to continue showing up where the Lord has called us. In order to do so, we at MRYFC need more God-honoring adults willing to fill the needs of these students everywhere we go. Please prayerfully consider partnering with this ministry to grow the love of Jesus in the lives of youth!
